

CORPUS CHRISTI CATHOLIC SCHOOL

NEWSLETTER #9 Friday 12th of June, 2026

13-21 Widford Street, Glenroy, 3046-Telephone: 9306 3062-Email: principal@ccglenroy.catholic.edu.au

Principal's Message:

Dear Corpus Christi Families,

Over the past fortnight, our school community has been busy celebrating, learning and continuing to grow together.

SAVE THE DATE-Sacrament of Confirmation

We are pleased to advise families that the Sacrament of Confirmation will be celebrated on Friday 13th November. Further information will be communicated closer to the time. Please keep an eye on future newsletters and school communications for updates.

New Corpus Christi Promotional Video

Yesterday we proudly launched our new promotional video on both our website and social media platforms. The video captures the vibrant learning environment, strong sense of community and many opportunities available to students at Corpus Christi. It beautifully showcases who we are as a school and the values that underpin all that we do. We invite all families to view and share the video, which can be found on the homepage of our website.

10.00am**

**Monday 20th July,
Parent-Student-
Teacher
Learning Conferences**

• See Newsletter item on page 3

Acknowledgement of Country

Corpus Christi Primary School acknowledges and pays respect to the past, present and future Traditional Custodians and Elders of this nation and the continuation of cultural, spiritual and educational practices of Aboriginal and Torres Strait Islander peoples.

School Closure Day

Earlier this week staff participated in our School Closure Day focused on Religious Education. The day provided valuable opportunities for professional learning, reflection and collaboration with a focus on the spiritual life and lessons of St Francis and St Patrick.

Feast Day Celebrations and House Teams

Last week we celebrated our Corpus Christi Feast Day with great enthusiasm, faith and school spirit. It was a wonderful day that brought our community together in celebration. A particular highlight was the involvement of our newly introduced House Teams. Students participated in a range of engaging activities and demonstrated teamwork, leadership and healthy competition while celebrating our shared identity as a Catholic school community.

The introduction of House Teams marks an exciting new chapter for Corpus Christi. Throughout the remainder of the year, students will continue to participate in House Team events and activities, strengthening connections across year levels and building a greater sense of belonging. We are also looking forward to working alongside students, staff and families to determine meaningful names for each House Team colour that reflect our values, history and hopes as a school community.

A special congratulations to Blue House for taking out the House Spirit Award. Their positive attitude, encouragement of others and outstanding team spirit were evident throughout the day. We are incredibly proud of all students for embracing the values of teamwork, respect and participation, making it a memorable celebration for our entire school community.

Cromwell St Speed Humps

Speed humps will be installed along Cromwell Street as part of ongoing efforts to improve road safety for students, families, staff, and local residents. This project is designed to help reduce vehicle speeds and create a safer environment, particularly during busy school drop-off and pick-up times. Works are expected to be completed by the end of June. During this period, there may be some minor disruptions to traffic and parking in the area. We appreciate everyone's patience and cooperation while these important safety improvements are carried out and look forward to the benefits they will bring to our community.

Thank you for your continued partnership and support. Together we continue to build a vibrant, faith filled learning community where every child can flourish.

Wishing you a blessed fortnight

Ange Ferro

**Deputy Principal
School Improvement and Innovation Leader**

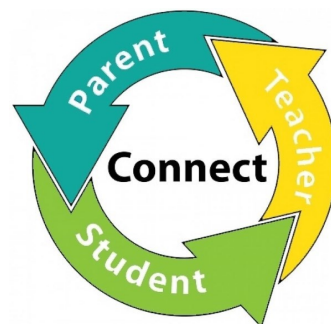

Dear Corpus Christi Families,

Welcome to the second last newsletter of Term 2, how time flies when we're all having fun! In recent days we have released a new promotional video on Facebook and Storypark. I hope that all members of the community have had a chance to look at this video that shows the world what a great place Corpus Christi is.

Parent/Student/Teacher Learning Conferences

Learning Conferences will take place on Monday 20th July, from 9.00am to 6.00pm.

On this day, students will only be required to attend school for the time of their scheduled Learning Conference. These conferences are an important part of our reporting process and provide a valuable opportunity for students, parents, and teachers to come together to reflect on progress and set future learning goals.

Each conference will include the class teacher, the student, and at least one parent or guardian. Students are expected to attend their meeting alongside a parent.

Further information regarding conference bookings will be sent home prior to the end of this term.

The Importance of Regular Attendance

Regular school attendance is essential for student learning, wellbeing and social development. Every day at school provides valuable opportunities for students to engage with their learning, build relationships and participate fully in school life.

We also remind families of the importance of arriving on time each morning. Students who arrive late can miss important instructions, learning opportunities and classroom routines that help set them up for a successful day. Equally, regularly leaving school early can impact learning and classroom continuity.

We appreciate the support of families in ensuring students attend school every day possible and arrive ready to learn.

Have a great last two weeks of Term 2, God Bless.

Shane Calthorpe

TERM 2

A message from the team

As we approach the end of the term, we would like to share some of the wonderful experiences and activities that have taken place, inspired by the children's interests and feedback.

Each week, the children have been actively involved in choosing themes for the upcoming week's activities. Some of the popular themes this term has included Minecraft, Star Wars, Harry Potter, superheroes, and most recently, Pokémon. This child-led approach has encouraged engagement, creativity, and a strong sense of ownership in our program.

During Reconciliation Week, the children participated in meaningful discussions and created some beautiful artworks to celebrate and acknowledge the importance of reconciliation. We were very proud of their enthusiasm and thoughtful contributions.

We have also enjoyed a number of spontaneous activities based on the children's ideas and interests. One popular activity has been gem art, which was so well received that we purchased additional materials for the children to continue exploring. Another exciting activity was the Flip Bottle Challenge, suggested by Eklavya, which quickly became a favourite among the children.

We would also like to remind families that parents and guardians are required to accompany their children into the service and sign them in upon arrival and sign them out when collecting them.

Booking Cancellation Policy

- Permanent booking cancellations require 7 days' notice.
- Casual booking cancellations require 48 hours' notice.

Please also note that a late collection fee of \$15 will apply if children are collected more than 15 minutes after the service's closing time.

Our nearest school holiday program will be St Paul's in Coburg. Please find attach a flyer with each week's programs and how to book.

Thank you for your continued support throughout the term. We look forward to finishing the term with more fun and engaging experiences for all children.

Kind regards,
Deb

Important Dates
