Principal's Message:

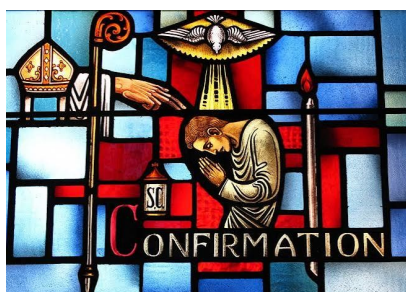

Dear Corpus Christi Families,

Welcome back to Term 4! I hope all our families enjoyed a restful break and had the opportunity to spend some quality time together. It is hard to believe we are already entering the final term of the school year. Term 4 is always a busy and exciting time, filled with opportunities for learning, celebration and reflection as we prepare to bring another wonderful year at Corpus Christi to a close.

CONFIRMATION

We warmly invite our school community to join us for the Sacrament of Confirmation on Friday 13th November at 5.00pm. This is a significant occasion in the faith journey of our Confirmation candidates, and we look forward to celebrating with them, their families and our parish community. All members of the Corpus Christi community are welcome to attend and share in this special celebration.

TERM 4 UNIFORM REMINDER

Term 4 is our summer uniform term. As the weather can still be cool at times, we will continue with a grace period until the beginning of Week 4 to allow families to transition to the summer uniform. Until then, students may wear either the full summer uniform or the full winter uniform; however, uniforms must not be mixed.

Please also remember that all students must wear their school hat whenever they are outdoors.

Thank you for your support in maintaining a neat and consistent presentation across our school community.

Acknowledgement of Country

Corpus Christi Primary School acknowledges and pays respect to the past, present and future Traditional Custodians and Elders of this nation and the continuation of cultural, spiritual and educational practices of Aboriginal and Torres Strait Islander peoples.

MOBILE PHONES and SMART WATCHES

A reminder to all families that mobile phones and smart watches are not permitted to be used by students at school. If a student needs to bring one of these devices for use before or after school, it must be handed in to the school office upon arrival and collected at the end of the day. Devices must remain at the office throughout the school day and must not be used anywhere on school grounds. Thank you for supporting us in maintaining a safe learning environment and minimising distractions for our students.

UPCOMING SCHOOL CLOSURE

A reminder that the school will be closed on Monday, 2nd November, for a staff Time in Lieu day, and on Tuesday, 3rd November, for the Melbourne Cup public holiday. Students will not be required at school on either day.

LOOKING FORWARD TO 2027

It is hard to believe we are already preparing for 2027! For families with a Foundation child starting next year, please ensure you have saved the upcoming Orientation dates in your diary. All families should have received a letter outlining these arrangements. If you have not received this information, please contact the school office.

ATHLETIC NEWS

A big shout out to Diana in Year 6, who recently represented Corpus Christi at the Regional Athletics Competition in the Long Jump and Triple Jump. Diana achieved an incredible jump of 8.96 metres in Triple Jump and 4.35m in Long Jump, finishing in first place and securing her place at the State Championships! Congratulations, Diana, on this fantastic achievement. You are a wonderful ambassador for Corpus Christi, and we wish you all the very best at the State Championships!

CONGRATULATIONS to the SINOPOLI FAMILY

Congratulations to the Sinopoli family on the arrival of baby Samuel, little brother to Joseph and Grace! We send our warmest wishes to the whole family as they enjoy this very special time together. Welcome to the world, Samuel!

I wish you all a great Term 4.

With many blessings,

Ange Ferro

**Deputy Principal
School Improvement and Innovation Leader**

Dear Corpus Christi Families,

Welcome to Term 4! Where has the year gone? There are many wonderful learning experiences and community events happening over the coming weeks. Keep an eye on the school newsletter, Facebook and Story Park to stay up to date with all the happenings!

TRAFFIC WATCH

For the safety of all in our community, I remind you that it is important that road rules are followed at all times near our school. It is illegal and very dangerous to double park and let children out of a car that is not parked in a designated car spot. Cars should not be driven in driveways connected to school gates, all cars should be using designated parking spots only.

It is also extremely important that when crossing the road the designated school crossing is used. Also please remember that in an effort to keep all children safe, Gate A will remain shut. Please use Gates B and C to enter and exit the school at the beginning and end of the school day.

GREEN, GREEN GRASS...

A big thank you to Mr. Mancuso for turning a not so pretty and barely useable patch of dirt and weeds into a marvelous strip of grass that students will be able to use for picnic lunches and quiet relaxation!

Mr. Mancuso works incredibly hard making sure Corpus Christi is a safe, functional and beautiful environment for all students.

Thanks for all the hard work John!

Thanks for a great start to the term!

Welcome Back to Term 4

Dear Families,

Welcome back to Term 4. We are excited to begin another wonderful term of learning, creativity, and exploration with our children.

This term, we will be focusing on the use of recycled and repurposed materials within our planned learning experiences. We are inviting families to support this initiative by donating clean recyclable items that can be incorporated into activities and creative projects. Examples of suitable materials include:

- Milk bottles
- Bottle lids
- Small cardboard boxes
- Empty cans
- Empty glass jars
- Plastic bottles
- Egg cartons

Using recycled materials in play and learning experiences helps children develop environmental awareness, creativity, and problem-solving skills. Open-ended materials encourage imaginative and pretend play, while teaching children the value of reusing resources and finding innovative ways to create and have fun. Through these experiences, children learn that wonderful creations can be made from everyday items without the need to purchase new toys.

We Value Your Feedback

As we begin planning for 2027, we would love to hear your thoughts and ideas about what you would like to see at **Corpus Christi MACSEYE** in the future.

We encourage all families to share their feedback by completing our online feedback form:

<https://macseye.vic.edu.au/contact/feedback/>

Your suggestions and insights are greatly appreciated and help us continue to improve our service and provide the best possible experience for children and families.

Reminder: Sign In and Sign Out Procedures

To ensure the safety and wellbeing of all children, and in accordance with our service policies, all parents and guardians are required to:

- Escort their child into the service each morning and sign them in.
- Enter the service to collect their child in the afternoon and sign them out.

Please note that educators are not permitted to collect children from the school gate or drop children off at the gate. These procedures are essential in maintaining the safety and security of every child in our care.

Thank you for your ongoing support and partnership. We look forward to another exciting term filled with learning, creativity, and fun for all our children and families.

Kind regards,

Deb
